

Here's How It Works

Runners will be asked to pay a £35 registration fee, commit to raising at least £350 in sponsorship, and agree to IITB's terms and conditions.

If you'd like to review the terms and conditions before applying, request a copy at: hello@itsinthebag.org.uk

If you are interested in running for It's in the Bag, we'd love to hear from you.

Please email Kirsty.owen-hayward@itsinthebag.org.uk and tell us in a few words why you'd like to run.

What you'll get

- ✓ An IITB Running vest and fundraising pack
- ✓ Our iconic pair of orange pants
- ✓ Fundraising support and advice from a lovely team

Ballot place runners

If you are successful in the public ballot, when the results are announced in July, congratulations! You can still run for IITB, there's no fundraising minimum, just raise what you can, and you will still receive all of the above.
